

2017 Pledge Commitment

You can pledge online at StMarksHighland.org
 or fill out this form and bring it with you to church on November 20th
 or send it to 12700 Hall Shop Rd, Highland, MD 20777

“First Fruits Giving” (as opposed to giving to God out of your leftovers) is a spiritual discipline. And it’s easy to do: Look at your paycheck to determine your weekly after-tax income and then use the chart below to determine your percentage giving. For 2017, consider bumping up your giving—to all your favorite charities—by a percentage point. If you have never made a pledge to your church (even if you are a regular giver), please consider your first pledge in 2017. It helps us plan and is a personally rewarding step in your spiritual life!
